Wellbeing Matters

A recent Wellbeing Week organised by students and teachers was designed to combat stress, promote healthy habits, and create a more supportive learning environment. The week was packed with activities chosen by students for students, making them both engaging and relevant.

Celebrating Diversity and Inclusion

The college embraces a diverse student body. The World Map Activity during Wellbeing Week showcased the rich tapestry of nationalities represented at SCFE.

Themed Community Tables provided a welcoming space for students to connect with peers who share similar backgrounds. These included tables specifically for mature students, the Ukrainian community, and the LGBTQ+ community.
