

FOR COLLEGES, ETBS & TRAINING PROVIDERS

Fewer forms. Fuller classes.

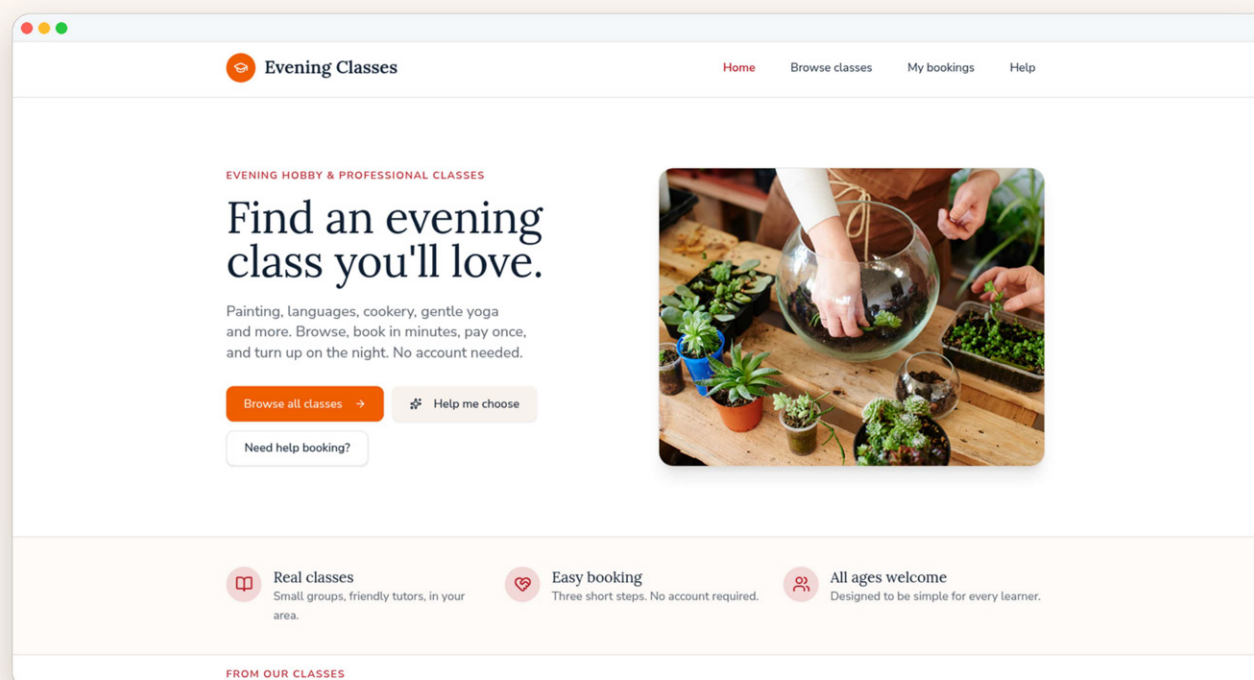

A modern booking and payments platform for adult education. Designed in Ireland by MIT Education Solutions — built for the way colleges and tutors actually run their evening programmes. Learners book in three steps. You see who's coming, what they paid and what each tutor needs — all in one place.

Colleges & ETBs

Independent tutors

Built for the people who run the classes.

Six things providers tell us they love most.

- 1 No-account booking**
Learners book in three steps — no sign-up, no friction.
- 2 One-tap payments**
Stripe checkout built in. Instant confirmations and receipts.
- 3 Course runs, not just courses**
Schedule terms, sessions, capacity and waiting lists.
- 4 Custom forms per class**
Collect exactly what each tutor needs — nothing more.
- 5 Admin that respects your time**
Bulk actions, audit log, and reports you'll actually use.
- 6 Accessible by default**
Large type, strong focus states, print-friendly receipts.
